Work Arrangement: Intern - Fully-Remote, Intern - Hybrid

Job Description

About the job:

As an Intern, you will collaborate with diverse teams to drive impactful initiatives and gain hands-on experience in healthcare advertising. Through 1:1 mentorship and group projects, you will develop a strong foundation in your chosen discipline and refine your skills. You will also have opportunities to present ideas to senior leadership, attend Lunch and Learn sessions, and participate in career development workshops to enhance your professional growth. This internship offers a comprehensive learning experience that fosters creativity, innovation, and industry expertise.

A day in the life:

- Collaborate across departments and with clients to craft compelling messages and meet brand needs.
- Develop a deep understanding of client businesses and organizations to inform strategic decisions.

and estimates.

-Gain hands-on experience in client support and strategy development through meetings and creative briefs.

What you will need:

Education: Rising junior, senior, or recent graduate from an accredited college or university with coursework related to advertising/marketing and/or healthcare.

Key qualifications:

-Excellent written, verbal, and presentation skills, with active listening and ability to receive feedback.

-Proven ability to work collaboratively across functions, with strong organizational and time management skills.

-Proficiency in MS Office Suite (Word, Excel, Outlook, PowerPoint) and beginner experience in Adobe Creative Suite (for creative roles).

-Demonstrates a willingness to learn, curiosity, adaptability, flexibility, attention to detail, and accountability.

Salary:

\$19/hr + overtime eligibility

Availability requirements:

To ensure a comprehensive and immersive experience, we require our interns to be available to work a full-time schedule during the internship period. Please note the following:

-Duration: June 9 - August 8, 2025 (9 weeks)

-Schedule: Monday - Friday, 9:00 AM - 5:00 PM EST (full-time, 40 hours/week)

Work arrangement options:

We're excited to offer internship experiences that cater to your individual needs and preferences! Choose from two format options when you apply:

Option 1: Fully Remote

- Available to those living within and outside a commutable distance (100 miles from the office)
- No in-person days!
- Must work from your approved remote location (normally your home) 100% of the time

Option 2: Hybrid

- Only available to those able to live within a commutable distance for the whole program (100 miles from the office)
- Split your time between remote work and in-person collaboration at our NYC Midtown office (2-3 times a week)

When applying, please indicate your schedule preference. You'll be considered for roles within your designated department(s) that align with your chosen work style.

For U.S. Job Seekers:

It is the policy of IPG Health and any of its affiliates to provide equal employment opportunities to all employees and applicants for employment without regard to race, religion, color, ethnic origin, gender, gender identity, age, marital status, veteran status, sexual orientation, disability, or any other basis prohibited by applicable federal, state, or local law. EOE/AA/M/D/V/F.
